Building a Solid Foundation

1 February 2015

At the end of the Sermon on the Mount Jesus said that whoever hears and obeys his words is like a wise man who build his house on a solid rock.

Here at the Grace Anglican Network we're on about building that solid foundation. Today, across all our centres our Kid's programs start for another year. This ministry of teaching our kids the truths of God in a fun, relevant and relational way is laying a great foundation in their lives. We are blessed to have so many kids as part of our community and we rejoice in the joy, laughter, fun and amazing [and often surprising] insights they bring us.

I give great thanks to God for the many who are involved in this significant, life changing ministry. It is a great expression of God's love and is a ministry that we pray will continue to bear great fruit for many, many years to come.

Next weekend our youth group also kicks off. This is a ministry that is for all youth across the network and is based at the hall at St Matt's. Again a wonderful ministry that is provided through the faithful and generous serving of a committed group of leaders.

Please join with me in committing ourselves to pray for and encourage the leaders and the kids and youth of our church.
