I recently came across some statistics that reflected what I (and many others in youth ministry) have known intuitively for a long time: Christian Youth camps can & do have a massive gospel impact in the lives of young people!

What is remarkable about the data is that “47% of young people attending camps said that it was very important in them making a decision for Jesus.” Also, the stats also highlight the “momentum out of camp resulted in greater church attendance, biblical engagement, awareness of God in the everyday and leadership” is another reason we have our youth camp early in the year and why the youth leaders invest so much into providing a great youth camp.

The Grace Network Youth Camp is just two weeks away (Adelaide Cup long weekend)! We're planning & praying hard that God will use it massively for his glory – please join us in that! **Online Registrations are due this weekend:**
